

**UNIVERSITY of LIMERICK**  
OLLSCOIL LUIMNIGH

In Ireland, children attend primary school between the ages of approximately 5 and 12 and secondary school between the ages of about 12 and 18. The Department of Education website will provide you with further information on the education system in Ireland [www.education.gov.ie](http://www.education.gov.ie).

According to the IMD World Competitiveness Yearbook (2008), the education system in Ireland is one of the best in the world. Almost 1 million people are in full time education.
