### Need help with Maths?

The Mathematics Learning Centre (MLC) provides a range of support services to aid UL students' mathematical learning across all programmes.

The MLC will provide pre-recorded and live online support to students undertaking repeat assessments in July and August 2020.

Full details of the supports available will be posted on our website [www.ulsites.ul.ie/mlc/](http://www.ulsites.ul.ie/mlc/)

**Having difficulty with Chemistry, Physics or Biology?** The Science Learning Centre is here to help. The Science Learning Centre provides support for chemistry, physics, engineering and biology modules, via tutor-provided support and resources such as short explanatory videos for important concepts in a module. In order to support students taking repeat assessments we will be offering online and virtual sessions with our tutors. The details of these will be emailed out to students and posted on our website, Facebook and Twitter accounts
