Guidelines for writing a Personal Statement for LM040

The Personal Statement is your opportunity to 'sell' yourself and to emphasise the experience and/or interests you have which are relevant to the course for which you are applying. A tailored personal statement is important, especially if you are applying to a competitive programme for which there is a high demand for places, as you will need to be specific and proactively demonstrate how your experience or your interests match the course you are interested in doing.

Your personal statement should be no greater than one side of a **single A4 page** and cover the following areas:

1. Reasons for wishing to undertake LM040
 2. Programme's potential contribution to your future career or life plans
 3. Highlight relevant experiences or skills gained through employment, voluntary work, or personal interests which have prepared you to undertake LM040
 4. Your knowledge and understanding of the career area in which you are interested
 5. Any specific preparation you have undertaken in anticipation of commencing LM040
- Please title your document 'Personal Statement for LM040'
 - Please also ensure that you include your CAO number on your Personal Statement
