

# Sustained and Meaningful Involvement in Health Research

## CASE STUDY GROUP WORK

### Exercise 6

### DATA COLLECTION

Re-visit the governance map from Exercise 4 – does it need amending?

## Exercise 7 DISSEMINATION

What are you doing to ensure that your research findings are available to all of your stakeholders in a format that is useful to them?

Do you need to re-visit the logic model from *Exercise 5* to take account of alternative sorts of outputs for your stakeholders?

### PROJECT STAKEHOLDERS

ACADEMIC

PROFESSIONAL

POLICY

NGO's/CSO's

COMMUNITY /  
CITIZENS

## Exercise 8 IMPACT

Did your project make a difference?

What evidence have you got to show that it did?
