Applicants from Non-EU nations normally need a visa to study in Germany. In order to get a visa and the information if they need a visa, they must contact the embassy or consulate of the Federal Republic of Germany in their home country to ask and apply for it. Application for visa is necessary at least 2 months ahead of time. Students cannot travel to Germany on a tourist visa, since this cannot be changed into a student visa! Students that are in Germany on a tourist visa are not entitled to study there.

Health Insurance

Are students required to get health insurance? Health insurance is compulsory in Germany. Students cannot register at TUM without proof of German national insurance. To ensure that coverage is sufficient to meet German national standards, it is recommended that students purchase an in-country medical insurance plan. Travel insurances are not accepted.
