Subject: Exchange studies at Karelia UAS Joensuu (SF JOENSUU09)

Greetings from Karelia University of Applied Sciences, Joensuu, Finland.

We would like to inform you that the application for exchange students is open for the autumn semester 2016 and for the entire academic year 2016-2017.

The deadline for the applications is 30 April 2016.

Instructions for applicants are available on our [website](#).

Bachelor-level courses in English:

Finnish language and culture (course code KV3008): 2 ECTS (for all exchange students who start in the beginning of the semester)

- International Business (all courses in English)
- Business Information Technology & Information and Communications Technology: autumn semester 25 ECTS; spring semester 11 ECTS + possibility for supervised project work.
- Mechanical Engineering: autumn semester 39 ECTS; spring semester 5 ECTS, possibility for supervised project work.
- Forestry: courses only in spring semester, offerings will be published later
- Energy and Environmental Engineering: courses only in spring semester, offerings will be published later

- Media: autumn semester 35 ECTS; spring semester 23 ECTS
- Music: 30 ECTS / semester
- Tourism and Hospitality Management: spring semester 36 ECTS

- Nursing: autumn semester 19,5 ECTS; spring semester 19,5 ECTS + possibility for clinical practice (+ 10 ECTS Master-level courses)
- Social Services: autumn semester 8 ECTS, spring semester 13 ECTS + possibility for practical training (+ 10 ECTS Master-level courses)
- Physiotherapy: autumn semester 11 ECTS; spring semester 11 + possibility for practical training (+ 10 ECTS Master-level courses)

According to the policy of Karelia UAS, exchange students are required to select courses worth minimum of 20 ECTS per semester.

It is also possible to participate in supervised projects or placements in several degree programmes. Please contact the [departmental coordinators](#) for detailed information.

We look forward to continuing fruitful cooperation with you.

Best regards,

Katriina Korhonen, Minna Halonen, Sanna Jeskanen and Liisa Timonen
