

Step 1: create your Orisis account

Orisis is a University of Geneva identification system.

<https://www.unige.ch/RiMobIn/faces/login>

UNIVERSITÉ DE GENÈVE ORISIS Authentication

fr | en

You have requested access to a service that requires authentication

Enter your University of Geneva identifier and password below, then click on the button "Login" to continue.

If you are not yet registered, please [create new account](#) now.

Identifier:

Password:

Login

[I lost my password](#) [My ORISIS](#)

For security reasons, quit your web browser when you are done accessing services that require authentication!

- Please select your language at this stage, French or English.
- Create a new account with a private e-mail address, define a password, login and follow the instructions. Send the application form.
- You will receive a message at the mentioned e-mail address. To confirm your registration, please use the given link.

You will be directed to the follow webpage.

fr | en

Your registration at the ORISIS environment is confirmed.

To edit your profile or view the authorized applications, please use [My ORISIS](#).

Step 2: register

You need to close your browser, open a new page and use the following link, same as step 1.

<https://www.unige.ch/RiMobIn/faces/login>

Please select your language at this stage, again, French or English.
Type in your Orisis identifier and password you selected at step 1.

Enter the following access code: communicated directly to the student

Start your application. You may save it at any time and continue later.

Registration form step 1 to 6

Please complete all requested fields.

Pay attention to:

1.1 University of origin

Please select your country, then city, then university of origin.

1.3 Collaboration agreement

The system will display the agreements available with your home university.

Please select:

Accord de collaboration (used mainly for exchange programs outside European countries).

2.1 Provisional study Plan:

IMPORTANT: each faculty has their own restrictions concerning the courses access.

Please read carefully the document: « GUIDE_Study_Plan_&_Courses_Restrictions » attached to the email.

The procedure and the courses information are explained in this pdf document.

2.2 Language knowledge

Even if your courses will be fully or partially in English (or another language), it is important for us to prove your level of understanding in French.

Soon an online French test will be available.

For the meantime, please enclose your French test, if any (step 5.2).

4.2 address during your stay

Accommodation in Geneva is very limited.

By ticking the box you indicate you will need an accommodation; you will receive additional information about how to find a room. Please note that this will not guarantee you a room.

5.2 Additional documents

The following documents are mandatory:

- Passport type Photo (JPG format); please name your photo as "LASTNAME_Firstname.jpg" (e.g. SCOTT_Eva.jpg)
- Copy of ID (PDF format)
- Transcripts of records (PDF format; translated in French or English)
- French test results: if the online French test is available. French Test Certificate if required (for FPSE).

6.0 review data

Please carefully check your data prior to validation.

Once validated your application is final.

You will only be able to view it, no further changes are possible.

The UNIGE mobility team remains at your disposal for any question you may have, however please consult first our website www.unige-exchange.ch.
