

Study Abroad and Exchange

UNIVERSITY
OF WOLLONGONG
AUSTRALIA

The University of Wollongong enjoys an international reputation for world-class research, exceptional teaching quality and graduate outcomes.

We are a young and vibrant university with undiminished ambitions. We value our research capacity to work on complex interdisciplinary problems. Our spirit of inquiry drives our research and learning environments and our objective of earning a place in the top 1% of the world's universities.

Being Australia's 9th largest city and just over an hour from Sydney, Wollongong is a vibrant city that offers the perfect Australian lifestyle. It's affordable, easy to get around and enjoys a lower cost of living than other Australian cities.

Our courses have been developed by teachers who are leading their fields. Our student-focused approach to teaching and learning means you will have the guidance and support you need. And this all takes place in a city on one of Australia's most beautiful coastlines.

LIFE AT UOW

Our Wollongong campus combines modern teaching and study spaces on 83 hectares (205 acres) of landscaped Australian bushland.

During your time at UOW there are endless opportunities to get involved with life on campus. With 100 clubs and societies and 180 live acts on campus each year, it's just a matter of choosing between them.

Situated on the shores of the Pacific Ocean, with 17 patrolled surf beaches. Bordered by the Royal National Park to the north, Lake Illawarra to the south, and the spectacular Illawarra Escarpment to the west.

WORLD CLASS RESULTS

We've worked hard to become one of the world's most respected young universities. Studying at UOW means learning from some of the brightest minds on the planet – recognised globally for their academic excellence. But our proudest achievements are our students, who upon graduation are ranked among the best in the world.

- Globally ranked among the top 250 universities
- Globally ranked as one of the world's best modern universities
- Top 1% for graduates as rated by global employers
