

Nomination of Candidate to a Distinguished Professorship

Candidate:	Proposer:
Department:	Department:
Faculty:	Faculty:
Title:	Title:
	Date of Submission:

In accordance with section 4.1 of the Policy for the Award of Distinguished Professorships, nominees must have achieved international recognition for the excellence of their contribution to their field through their research and scholarship. In addition, the individual must have either been clearly identified by students, colleagues, or external agencies as an outstanding teacher, or must have contributed significant public service through their efforts and accomplishments in their academic discipline.

Completed forms should be sent to your relevant Dean of Faculty.

What are the candidate's most important contributions to their field of research and/or teaching? Please explain why these contributions are important (maximum 250 words).

What is the candidate's most distinctive recent achievement? (maximum 250 words)

What evidence is there that the candidate is of national and/or international standing? (maximum 250 words)

Please comment on the candidate's suitability for a **Distinguished Professorship** (as outlined in the [Policy](#) for the Award of Distinguished Professorships.
