Greetings from Finland and the University of Jyväskylä. I am sending you attached information on our application procedure for incoming Erasmus students.

**Application form:**

Our online application can be found at [www.jyu.fi/en/study/apply/exchange/procedure](http://www.jyu.fi/en/study/apply/exchange/procedure).

**Application deadlines:**

15 May for the autumn semester 2016 / academic year 2016-2017

1 November for the spring semester 2017

**Semester dates:**

Autumn semester: 1 September – 31 December 2016 (classes and exams end by 16 December 2016)

Spring semester: 1 January – 31 May 2017 (classes and exams end by 19 May 2017)

**Housing:**

Student housing can be applied for as part of the online application for admission at [www.jyu.fi/en/study/apply/exchange/instructions](http://www.jyu.fi/en/study/apply/exchange/instructions). The application deadlines are 15 May for the autumn semester/academic year and 1 November for the spring semester. Student housing must be reserved for the entire autumn or spring semester or for the whole academic year. Student housing can be guaranteed for all students coming for the spring semester. We would therefore like to encourage your students to choose the spring semester as the timing of their exchange period if this is possible. More information on housing can be found in the attached information sheet.

If you or your students have further questions on studying or living in Jyväskylä, do not hesitate to contact me.

I look forward to seeing your students on our campus during the next academic year!

With kind regards,
