Accomodation advice

As we cannot offer dormitory place for our international students,

www.mome.hu

	<p>please, note that you should search for accomodation on Internet. Also, as we receive some advertisments from students, etc., we forward them to the applicants regularly.</p> <p>As MOME can be found on the Buda (green) side of the city, in the 12th district, you will stay close to MOME if you choose the 1st, 2nd, 11th or 12th districts.</p> <p>If you wish staying on the Pest side, then look for the 5th and 6th (nicest ones in city center), or 7th, 9th or 13th districts. The 8th district is the worst one around there. The 10th, 14th, 15th, 16th, 17th, etc. districts are far away from MOME.</p>
