**Subject:** ISM NEWS regarding exchange studies at ISM

Greetings from Vilnius! I hope this e-mail finds you well.

- First of all, from now on we are **introducing ISM Online Application System** – nominated students will be sent automatic e-mail with the link to the Online System where they have to fill in their personal information and upload all the required documents along with the Learning Agreement.
- Secondly, from the Spring semester 2016 we are changing the way students are going to choose their courses at ISM. We are introducing **Course blocks** – this means when incoming student chooses courses, he/she will have to **choose courses ONLY from ONE BLOCK.** (this does not apply for Double degree students, as they need to have specific courses). This new system was made in order to avoid course overlapping which was happening a lot during the past semesters.

I very much hope that the new way of choosing courses will not cause any inconveniences.

You can read detailed information about how to apply to the new Online Application System and how to choose **courses in attached Factsheet** and on our website [www.ism.lt/exchange](http://www.ism.lt/exchange)

Should you have any questions, please do not hesitate to contact us and we will gladly answer all your questions,

**Martyna Kindurytė**  
**International Studies Coordinator**
