

NEW CONTACT PERSONS IN ERASMUS EXCHANGE
from 1 January 2011 onwards

New School	Fields	Contacts
School of Engineering (old Faculty of Engineering and Architecture)	Department of Architecture Department of Energy Technology Department of Engineering Design and Production Department of Surveying Department of Structural Engineering and Building Technology Department of Applied Mechanics Department of Civil and Environmental Engineering TKK Lahti Center Centre for Urban and Regional Studies YTK Research Institutes: Center for Energy Technology (CET) Institute of Building Services Technology	Partner relations, agreements, incoming/outgoing students: <i>Architecture:</i> Ms Auli Puhakka-Autio auli.puhakka-autio@tkk.fi <i>Energy and HVAC technology and mechanical engineering:</i> Mr Börje Helenius (at the moment: borje.helenius@taik.fi) <i>Structural engineering and building technology and civil and environmental engineering:</i> Ms Riikka Jääskeläinen riikka.jaaskelainen@aalto.fi <i>Geomatics and real estate economics:</i> Ms Saara Sokolnicki saara.sokolnicki@tkk.fi
School of Chemical Technology (old Faculty of Chemistry and Materials Sciences)	Department of Biotechnology and Chemical Technology Department of Chemistry Department of Materials Science and Engineering Department of Forest Products Technology UMK Center for New Materials	Partner relations, agreements: Ms Leena Hauhio leena.hauhio@tkk.fi Incoming/outgoing students: Ms Heidi Flinkman Heidi.flinkman@tkk.fi

<p>School of Science (old Faculty of Information and Natural Sciences)</p>	<p>Department of Biomedical Engineering and Computational Science</p> <p>Department of Mathematics and Systems Analysis</p> <p>Department of Media Technology</p> <p>Department of Applied Physics</p> <p>Department of Information and Computer Science</p> <p>Department of Computer Science and Engineering</p> <p>Department of Industrial Engineering and Management</p> <p>BIT Research Centre</p> <p>Language Centre</p>	<p>Partner relations, agreements Incoming/outgoing students: Ms Mari Dagnall (mari.dagnall@aalto.fi)</p> <p>Also all the general Erasmus agreements on Engineering Technology (when no specific field mentioned) and if several agreements on single document: Mari Dagnall</p>
<p>School of Electrical Engineering (old Faculty of Electronics, Communications and Automation)</p>	<p>Department of Automation and Systems Technology</p> <p>Department of Electronics</p> <p>Department of Micro- and Nanosciences</p> <p>Department of Radio Science and Engineering</p> <p>Department of Signal Processing and Acoustics</p> <p>Department of Electrical Engineering</p> <p>Department of Communications and Networking</p> <p>Metsähovi Radio Observatory</p> <p>Micronova</p>	<p>Partner relations, agreements: Ms Anita Bisi (anita.bisi@tkk.fi)</p> <p>Incoming/outgoing students: Ms Jenni Tulensalo (jenni.tulensalo@tkk.fi)</p>
