International Adviser: Sue Bailey

If you are an international student at the University of Paisley, the International Student Adviser can help with: Student visa extensions

- Immigration advice
- Visas for travel outside the UK
- Advice on working in the UK (during and after studies)
- Letters for relatives' visits
- Financial queries (funding sources, fees, student hardship, private trusts and charities, Student's Association Emergency Hardship Fund)
- Welfare and health benefits; Council Tax
- General welfare (personal difficulties, social events for international students, HOST)
- Other sources of help within and outside the University, plus useful websites

If you need urgent advice and the International Student Adviser is not available, you can visit the [UKCOSA](http://www.ukcosa.org) (Council for International Education) website.

From this site you can download UKCOSA's Guidance Notes for Students which give advice on all important areas of concern to international students studying in the UK. If you need to speak to someone for advice, call the UKCOSA international student advice line in London on: **020 7107 9922** Monday to Friday 1-4pm UKCOSA professional international student advisers are there to help you with any matter. The service is free - you pay only for the call.
