ECTS Credits and Mark System

Modules with 2 ECTS credits are normally not marked but assessed on a pass/fail basis.

Students, who need a mark for such a module, can arrange an extra test with their professor in order to receive a mark. In this case they will not only receive a mark, but 1 extra ECTS credit as well (so 3 ECTS instead of 2 ECTS).

Students, wishing to extend their knowledge in one particular course, may arrange with their professor to write a more substantial paper on an agreed topic within the module. This way 4 or 5 ECTS can be awarded to the student for this particular module.

ECTS-Mark	% of students who pass the course and get this mark	ECTS Description	German Mark	German Description
A	10	EXCELLENT – outstanding work with only minor errors	1,0-1,5	Sehr gut
B	25	VERY GOOD – above average, but with some errors	1,6-2,0	Gut
C	30	GOOD – generally sound work, but with some basic mistakes	2,1-3,0	Befriedigend
D	25	SATISFACTORY – acceptable work, but with some significant shortcomings	3,1-3,5	Befriedigend bis ausreichend
E	10	SUFFICIENT – satisfies minimal requirements	3,6-4,0	Ausreichend
FX	--	FAIL – more work required before passing mark can be given	4,1-5,0	Mangelhaft
F	--	FAIL – considerable further work required	5,1-6,0	Ungenügend
