

We are now taking applications for 2019/20.

Students must book accommodation at [www.studetliving.ul.ie](http://www.studetliving.ul.ie) and apply as 'international students'. They will require their student number to apply for accommodation.

I have attached instructions for anyone who wants to send them to their students.

Students should not be advised to pay any accommodation fees through Pay to Study without applying for a room on [www.studentliving.ul.ie](http://www.studentliving.ul.ie) first.

The rates for next year are available online at <http://www.studentliving.ul.ie/index.jsp?p=116&n=124>, but here is an over view of what is available for international students:

For those wishing to live off campus there is a section on our site called 'Off Campus Accommodation' at <http://www.studentliving.ul.ie/index.jsp?p=116&n=141>.

Here students can find information about different off campus options and live adverts from landlords with rooms for rent.

Please note we no longer operate a physical off campus housing list for students from the accommodation office.

Should students have queries please feel free to direct them to [accommodation@ul.ie](mailto:accommodation@ul.ie) and we will be happy to help.
