ERASMUS+ 2018/19

Dear Partners,

Please find below detailed information about the application procedure for 2018/19 Erasmus incoming students at the University of Salamanca:

1st STEP: REGISTRATION by students

Registration deadline:

July 16th 2018 for ALL STUDENTS (WINTER SEMESTER, SUMMER SEMESTER or FULL ACADEMIC YEAR).

Application Form:

Upon reception of the nomination sent by the home university, the University of Salamanca will contact the students by email and send them detailed information about registration procedures. Students duly nominated by their home institution must complete the on-line Erasmus Application Form, print it and send it by email to the International Relations Office: erasmus@usal.es, including the following:

- a recent passport size photograph
- a copy of the ID document or passport

The on-line Erasmus Application Form is available on our web site:

<http://rel-int.usal.es/en/> -> "Erasmus" -> "Erasmus Incoming Students" -> "Erasmus Student Mobility for Studies" -> "Erasmus Incoming Students Online Application"

2nd STEP: OTHER DOCUMENTS

Letter of Acceptance:

Starting on **June, 18th 2018**, and following the correct reception of the application documents, an Acceptance Letter will be sent by email to the students (with a copy to the Erasmus responsible at their institution). - **Health Care:** Students from the EU, EFTA and Switzerland are entitled to medical care in the medical centres and hospitals that form part of or have agreements with the Spanish National Health System (Seguridad Social). To be able to use these services, students must apply for the European Health Card at the health service offices in their country of origin. Foreign students from other countries than the above mentioned or who are not covered by national health plans, must have private health insurance.

Students must send, before their arrival in Salamanca, a copy of both documents by e-mail to the International Relations Office (erasmus@usal.es) as a mandatory requirement in order to complete their inscription at the University of Salamanca and receive the student card (which allows access to university services, such as libraries, computer rooms or the university digital platform).

Learning Agreement:

The University of Salamanca does not require the Learning Agreement prior to the beginning of the Erasmus stay, so it can be agreed with the corresponding International Departmental Coordinator after the student's arrival in Salamanca. In the event that the home university requires this document prior to the student's departure, it will have to be sent for approval and signature to the corresponding **International Departmental Coordinator**. There is not an Institutional Coordinator at the University of Salamanca; therefore, only Departmental Coordinators can sign these documents. PLEASE DO NOT SEND LEARNING AGREEMENTS TO THE INTERNATIONAL RELATIONS OFFICE.
