

## AVAILABLE ARCHITECTURE SUBJECTS IN OUR UNIVERSITY FOR ACADEMIC YEAR 2017-2018

---

At this moment in our School coexist two programmes of Architecture; Degree in Architecture (old programme, in Spanish and some subjects in English) and Architecture (new programme, full in English).

For this reason, the following are the courses of both programmes, available for enrolment. Those marked in red are the subjects that are taught in English and in orange are those that you can speak English with the professors:

### ARCHITECTURE (NEW PROGRAMME)

#### 1st Year

Architectural Drawing I	(1st semester)
Descriptive Geometry I	(1st semester)
Mathematics I	(1st semester)
Physics I	(1st semester)
History of Art	(1st semester)

Architectural Drawing II	(2nd semester)
Descriptive Geometry II	(2nd semester)
Mathematics II	(2nd semester)
Physics II	(2nd semester)
Introduction to Architecture	(2nd semester)

#### 2nd Year

Computer Aided Drawing and Modelling	(1st semester)
Architectural Projects I: Analysis	(1st semester)
Theory of Classical Architecture	(1st semester)
Construction of Foundations and Structures	(1st semester)
Structural Mechanics	(1st semester)

Digital Image Tools	(2nd semester)
Architectural Projects II: Methodology	(2nd semester)
Theory of Architecture in the XVIII and XIX Centuries	(2nd semester)
Introduction to Urban Phenomenon	(2nd semester)
Social Doctrine of the Church	(2nd semester)

### 3rd Year

Urban Plannin Techniques	(1st semester)
Architectural Projects III: Simple Compositions	(1st semester)
Heating, Ventilation and Air Conditioning Systems	(1st semester)
Building of Façades and Roofs	(1st semester)
Steel Structures	(1st semester)

Urban Planning	(2nd semester)
Architectural Projects III: Simple Programs	(2nd semester)
Theory of Modern and Contemporary Architecture	(2nd semester)
Technical Development of Projects I	(2nd semester)

### ARCHITECTURE (OLD PROGAMME)

#### 4th Year

Construction IV	(1st semester)
Systems I	(1st semester)
Architectural Projects V	(1st semester)
Town Planning IV	(1st semester)
Architecture Theory IV	(1st semester)

Structures IV	(2nd semester)
Architectural Projects VI	(2nd semester)
Town Planning V	(2nd semester)
Architecture Theory V	(2nd semester)
Systems II	(2nd semester)

#### 5th Year

Proyectos Arquitectónicos Integrados I	(1st semester)
Desarrollo Técnico de Proyectos	(1st semester)
Teoría de la Arquitectura VI	(1st semester)

Arquitectura Legal y Derecho Urbanístico	(2nd semester)
Proyectos Arquitectónicos Integrados II	(2nd semester)
Definición y Análisis de Trabajo Fin de Grado	(2nd semester)
Optionals	(2nd semester)

#### 6th Year

Desarrollo, Presentación y Defensa de Trabajo Fin de Grado	(1st semester)
