Study abroad with us

Courses	On the Bachelor's level most study courses are taught in German, some departments offer a wide range of courses taught in English, and some in English/German concurrently. On the Master's level, more courses are taught in English than on the undergraduate level. The English course offer is increasing.
German as a Foreign language	<p>The Language Institute offers a broad range of classes for international students to strengthen and expand their German skills. Language instruction is offered on all levels in small groups: beginner, intermediate and advanced. Language classes should not take precedent over student's core study area, but complement their studies.</p> <p>The Language Institute will test student's language competences on site and assign students to courses according to their individual language skills – results may be different than other test results, e.g. OLS. Students are not entitled to demand a specific level.</p>
Full time studies	<p>Exchange students are required to complete a full course load while studying abroad in Konstanz. Undergraduate and graduate students are usually enrolled in 24-30 credits per semester.</p> <p>We recommend that students take at least 50% of their classes in their main subject.</p>
Transcript of Records	Upon completion of the semester/year, students request a Transcript of Records, once all grades have been posted in their online account. The International Office then issues an official transcript and sends it to the home university.

Study preparation

Webinars: Final preparations and information before arriving in Konstanz	Students can join webinars offered by the International Office focusing on final preparations and formalities before coming to Konstanz. The webinars are offered each time before the respective semester starts. Students receive information and dates by email.
Accommodation	<p>Students who apply for and pay a deposit of 550€ within the deadline, are usually guaranteed accommodation in 'Seezeit' Student Housing.</p> <p>We recommend this option since the private housing market is tense and expensive. There is no assistance for finding private housing in Konstanz, which is best found when on-site. Bring time and patience and be aware of scams.</p>

Monthly expenses	Accommodation: 230-380 € per month in student dorms, Food: 120-250 €/month, Local transportation with semester student pass: 58 €, Printing (50-100€/semester), health insurance (80€/month), campus fees (90€/semester), Personal: 150-450€/month (depends on individual habits, e.g. travelling, choice of food, etc.). Important: In the first 2 months students will need more money than in the following months to cover all initial costs. Students should prepare accordingly.
Visa and residence permit	<p>Visa: Citizens from EU/EEA countries and Switzerland, the US, Canada, Australia, New Zealand, Japan, South Korea, Israel and Brazil do not need a visa to enter Germany. All others NEED a student visa (NOT a tourist visa). Apply ahead of time.</p> <p>Residence Permit: All students (except from EU/EEA countries and Switzerland) will apply for a residence permit ("Aufenthaltstitel") in Konstanz upon arrival.</p> <p>Important: 720 €/month are required as proof of financial resources in order to obtain the residence permit.</p>
Health Insurance	Students from the EU/EEA and Switzerland are automatically insured through their EHIC card. Students with non-EU/EEA nationality are required to enrol in German health Insurance upon arrival.
Services	<p>All exchange students enjoy the same access to university facilities as local students. To mention just a few facilities such as computer centre, internet access both on the university campus as well as in the accommodation, access to sports facilities and the 24/7 library.</p> <p>In the 'Studierenden-Service-Zentrum' (SSZ) students have access to all services in one room. The Welcome Center offers special services to PhD students and international researchers. In addition to that, a Counselling Centre offers advice and services in times of stress and worries.</p> <p>Exchange students enjoy our Buddy Programme, Local Erasmus Group, our Orchestra and Big band, Theatre, Film nights, Model United Nations, etc.</p>
