«This is the best experience of my life. Liege is the city of my soul, it's a beautiful city with beautiful people. I love when the bus driver tells me "Bonjour" or when the people on the street smile at me. The smile is contagious and what is more beautiful than a smile?!

About the ESN team: you are awesome! I like your involvement with Erasmus students. I like that you are a united group, always ready to help when we need. Thanks for all!!»

«In just a few words I would say that the ESN HEC is quite organized and in particular in the first two weeks you helped us tremendously! It took me a very short time to settle down and to know plenty of people. You have been awesome!»
