The amount of the allowance is 225,000 JPY for a semester and 450,000 JPY for a full year. (The allowance is paid to their Japanese bank account one month after their arrival.)</p>
Insurance	<p>Exchange students who have obtained a College Student Visa are required by Japanese law to enroll in Japanese National Health Insurance. The insurance fee is</p>

	approximately 1,450 JPY per month. With Japanese National Health Insurance, students only have to pay 30% of the medical costs when they go to see doctors. More details about the insurance are provided during orientation sessions to be held upon your arrival. You can also apply for the insurance during orientation. In addition, we strongly recommend you to make arrangements for voluntary travel insurance in your home country that covers emergencies.
Student ID card	Toyo University issues exchange students a student ID card. With a student ID card, you can use Toyo University's libraries and PC rooms. This card also allows you to obtain discounts for travel fares, museum entrance fees, theater fees, etc.
Bank account	Exchange students are expected to open a bank account with a Japanese bank after they arrive in Japan. It takes about 10 days to open a bank account. Remittances from overseas to Japan usually take approximately one week to 10 days. Since Japan is still primarily a cash-based society, there are many cases where credit cards are not accepted. Exchange students are recommended to have at least 150,000 to 200,000 JPY in cash for their first two months.
Part-time work	As an international exchange student, it is possible to get a part-time job and work up to 28 hours per week. To do so, you must acquire Permission to Engage in Activity Other than that Permitted under the Status of Residence Previously Granted. You may get this Permission at the airport upon arrival or by going to the Regional Immigration Bureau.

### Visa Procedure

Exchange students are required to obtain a Certificate of Eligibility and a visa for entering Japan.	
<ul style="list-style-type: none"> <li>• [Certificate of Eligibility] After you submit your completed application for Certificate of Eligibility (COE) to Toyo University, Toyo will apply for your COE to a relevant immigration bureau. We then forward the COE to your home institute.</li> <li>• [Visa] A visa should be obtained in a Japanese diplomatic office in your home country.</li> </ul>	
Certificate of Eligibility	You need to present your COE when you apply for a visa at a Japanese diplomatic office in your country. The COE also has to be submitted to the immigration officer when you receive landing screening at the port of entry. The certificate becomes invalid unless you apply for landing (entry into Japan) within three months of its issuance.  * The Certificate of Eligibility verifies, at the time of landing screening, that the activity in which a foreigner wishes to engage in Japan is not false and that the activity matches landing qualifications such as being an activity stipulated by a relevant status of residence under the immigration law (except the status of residence for short-time [three months] visitors). This document is issued by a regional immigration bureau under the

	jurisdiction of the Ministry of Justice to foreign nationals in advance of their arrival in Japan.
Visa	<p>A visa is issued at a Japanese diplomatic office in your country. It is usually issued within five days of application. You are expected to enter Japan within three months of the issuance of the visa. The visa you will obtain is valid either for one year or 6 months, allowing you to enter Japan multiple times during your stay.</p> <p>* A visa signifies the judgment that a foreigner wishing to enter Japan has been deemed suitable to enter and stay in Japan. Please be aware that a visa does not guarantee the permission of entry (stay), but is deemed as one of the requirements for landing application at the port of entry (airport/seaport). As in many countries, Japan has a system in which a foreigner wishing to enter Japan is required to have permission from immigration offices, i.e. the said Certificate of Eligibility, in addition to a visa.</p>

### Designated Date of Your Arrival in Japan

In principle, exchange students are informed of the designated date of arrival in Japan when they receive their welcome package. It is not permissible to use the International House before the designated date or to be absent from the orientation session due to late arrival in Japan.

[Reference-Last year] Spring Semester: March 27-28, Fall Semester: Sep. 6-7.

### Orientation Session

All important information on living and studying in Japan will be provided in detail at the orientation session. The orientation will cover student registration, issuance of an academic transcript, procedures to be taken at the immigration office and ward office, National Health Insurance, how to open a bank account in Japan, housing, and student life on and off campus. Exchange students are required to attend the orientation.
