

Chile

Chile study visa is required for citizens of Ireland.

Student Visa Requirements

All students must provide the following documents to apply for a visa to study in Chile (School/Institute/University). The information below applies for all citizenships.

1.- A Valid Passport

The passport must be valid for at least six months after the date of departure from Chile.

2.- One Passports Size Photograph.

A clear, recent picture with a white background.

3.- English Application Forms (pages attached to the e-mail)

The visa application form in English must be fully completed, **and typed**. Not handwritten.

4.- Confirmation Letter from the School/University in Chile

This letter of confirmation of enrolment in the academic institution has to detail your name, when will the lecture period start, for how long you will be enrolled, and the contact details of that institution.

5.- Visa Request Letter from the agency arranging the Exchange(if applicable)

This letter must provide full name of the applicant, school that the applicant will attend in Chile, details of placement in Chile, name of the responsible person of the agency that Immigration Chile will contact to confirm information.

6.- A Contagious Diseases-Clearance Certificate Letter

This certificate must be signed by a registered medical practitioner and must be issued within 30 days prior to date of application. The Certificate has to confirm the you are free from contagious diseases/illnesses that may affect your stay in Chile.

No X-rays. This is just a regular medical check (blood, urine samples) to ensure you have no contagious diseases.

7.- Police Clearance Statement

This document is a statement made by the parents/custodian that will cover you to travel in and out of Chile for as long as your Student visa will be granted. Please contact the Consulate to get the form, and the instructions to sign and authenticate this document.

How to Apply for your Visa:

– Online Application: Click <https://tramites.minrel.gov.cl/>, Press the English flag, and then press Visa. Upload all listed documents.

– Couriered Application: You can courier all the documents listed below to our office (including your passport). If you do not include your passport, include a Simple (not notarized) colour photocopy of it.

Processing Times:

Visa process, after we make sure you didn't miss any document, and we forward your application to Immigration Chile, will take 15 to 20 working days. Any missing documentation will cause a delay in your visa process.
