# Pukyong National University

located in the most beautiful and dynamic city in Korea.  
Pukyong National University is surrounded by lively and exciting culture.

Pukyong National University is one of the most prestigious national universities in Korea. PKNU was founded in 1996 after Pusan National University of Fisheries (est. 1941) and Pusan National University of Technology (est. 1924) merged. Having more than 25,000 students, PKNU is one of the ten large-scale national universities in Korea. The university has developed partnerships with over 200 universities and institutions from around the world. More than 1,000 international students from 60 different countries are currently participating in PKNU's undergraduate and graduate programs.

## 2016 International Summer School

Time Spent at an institution overseas is a stimulating and exciting opportunity. Pukyong National University International Summer School(PKNU-ISS) offers students opportunities to experience Korean culture and to understand the people better. International students will also have an opportunity to make new friends from all around the world as well as from PKNU. Aside from Korean culture, you will also be able to learn global current affairs by discussing and sharing ideas with both Korean students and other international students.
