

LM103 - BSc Paramedic Studies

Application information for mature student applicants

Apply through CAO by 1 st February www.cao.ie	Late applications are not accepted for this programme.
---	--

Application Process:

1. **CAO application form** – Applicants must ensure that they tick the ‘mature’ special category on the CAO application form.
2. **Supporting documentation** – All supporting documentation (e.g. evidence of prior qualifications, etc.) should be posted directly to the CAO.
3. **Assessment Test** – Mature student applicants to LM103 are assessed by means of an assessment test and subsequent interview (**Assessment is NOT required for 2022 entry**).

Minimum Entry Requirements:

- A valid provisional C1 or full C1 driving licence is required prior to offer of a place on the programme. Applicants must produce a full C1 licence by the end of the Year 1. Penalty points may prelude progression.

Please note proof of licences will be requested.

Interview Assessment Criteria:

- Demonstration of lifelong learning through examples
- Knowledge of the perceived attributes of a modern Paramedic
- Knowledge of the modern Paramedic role
- Examples of calmness and decision making under pressure
- Examples of common conditions encountered by Paramedics in Ireland

Students admitted to the programme are required to undergo and successfully complete a Garda Vetting process and an Occupational Health Clearance

Guidelines for LM103 additional assessment and interview:

- All mature student applicants are required to sit an assessment test as part of the application to LM103. **(Assessment is NOT required for 2022 Entry)**
- Applicants who have provided a valid provisional C1 Driving Licence or full C1 Driving Licence will be called to attend for interview.
- Dates for 2022 interviews: To be confirmed
- Further information on the interview criteria are available from www.ul.ie/medicine/programmes/bsc-paramedic-studies or paramedicstudies@ul.ie for further information.
