ABOUT SINGAPORE

Singapore – A Garden City

Singapore is made up of 63 surrounding islets with a total land area of more than 719 square kilometers with an estimated population of 5.9 million people.

Although its compact size belies its economic growth, within 150 years, Singapore has grown from a fishing village into a thriving centre of commerce and industry. Singapore is home to one of the busiest ports in the world with over 600 global shipping lines sharing Singapore's waters with coastal fishing vessels and wooden ships.

Over the years, Singapore has managed to diversify and strengthen its economy, becoming the economic giant of South-East Asia. Singapore is a major financial centre in Asia (with more than 130 banks and multinational financial companies) and it is the location of one of the world's major oil refining and distribution centres. It possesses a robust electronic components sector, and leads the course in shipbuilding and repairing – all facilitated through a world-class communications network which links the nation to the rest of the world.

Singapore's strategic location, excellent facilities, fascinating cultural contrasts and tourist attractions contribute to its success as a leading destination for both business and pleasure.

ABOUT NTU

NTU is world's top young university for seventh consecutive year

NTU leads the dominance of Asian and technological universities in QS' latest young universities league table

Nanyang Technological University (NTU) has topped the rankings for young universities for the seventh straight year. In Quacquarelli Symonds' (QS) latest rankings of the *world's top 50 universities under 50 years old*, NTU retained the **No. 1 spot**. The rankings shows the performance of universities focused on Science, Technology, Engineering and Math. The rankings regularly show top performance from our engineering faculty.

NTU offers courses in engineering, science, business, humanities, medicine, arts and social sciences, with the Lee Kong Chian School of Medicine being a jointly directed school between NTU and Imperial College London.

With an excellent network of top overseas universities and industry leaders, NTU's academic and research partners include Imperial College London, Rolls-Royce, BMW, Lockheed Martin and more.

The University's main campus has been named one of the *Top 15 Most Beautiful in the World*.

The NTU community comprises more than 30,000 students and over 4,000 researchers and faculty staff, all hailing from a 100 different nationalities – a **testament to Singapore's values of multiculturalism and openness**.

TRAVEL HEALTH CONTROL MEASURES FOR ENTRY

Depending on their travel history, students may enter Singapore either under the **Student's Pass Holder Lane (STPHL)** or **Vaccinated Travel Lane (VTL)**. Entry via VTL will be subject to specific VTL conditions.

The specific requirements for entry to Singapore may change from time to time. The following are some of the requirements which may be in place at the time of entry. **Please check the SafeTravel website to find out applicable travel lane and full prevailing measures:** <https://safetravel.ica.gov.sg/arriving/overview>. For more comprehensive information regarding traveling to Singapore, please refer to the **SafeTravel Resources:** <https://safetravel.ica.gov.sg/health>

Please note that students would need to complete all quarantine/self-isolation requirements at off campus accommodation before making their way to the NTU campus.

COVID-19 Vaccination	All Student's Pass holders must be fully vaccinated in order to enter Singapore. Refer to https://safetravel.ica.gov.sg/health/vtsg for information on accepted COVID-19 vaccinations.
Pre-departure Test	Inbound travellers with travel history to specified countries/regions may be required to present a valid negative COVID-19 test result taken before departure to Singapore. Students will be required to show documentary proof of a negative COVID-19 test result from recognised laboratories/medical facilities. The test result document must be in English (or accompanied with an English translation); and contain the following information: COVID-19 test result and date of test; Traveller's name; and date of birth or passport number. The documentary proof of pre-departure test must be produced at immigration, failing which travellers will be refused entry. For more information on pre-Departure requirements, please refer to Safe Travel website: Student's Pass Holder Lane or Vaccinated Travel Lane
On-arrival Swab Test	Travellers entering Singapore may be required to take an on-arrival test upon arrival in Singapore.
Stay-Home Notice (SHN)	The Stay-Home Notice (SHN) is a legal notice that requires travellers to remain in their declared SHN accommodation for a stipulated period . The failure to comply with any SHN requirement is punishable under Singapore laws and can amount to an imprisonment term and/or fine. As such, students who are required to serve SHN must ensure that they comply with the SHN requirements and remain in their SHN accommodation for the duration of the SHN. SHN Monitoring All students serving SHN will be contacted by NTU during the SHN. All students should remain contactable via WhatsApp, Teams, or their NTU email account and may be contacted by NTU's SHN Team.
Swab Test during SHN	Students serving SHN would be required to take a PCR swab test before the end of the SHN. Students will be informed of their swab test venue, timing, and instructions.
Maintaining Vaccinated Status	Students may be required to take a serology test after arrival to maintain their temporary vaccinated status. Please refer to https://safetravel.ica.gov.sg/health/vtsg for details on maintaining vaccinated status.
COVID-19 in Singapore	Students are expected to adhere to COVID-19 restrictions implemented in Singapore. For updates on Singapore's COVID-19 situation, refer to https://www.moh.gov.sg/covid-19 . For a summary of COVID-19 safe management measures, refer to https://www.moh.gov.sg/covid-19-phase-advisory .

WELL-BEING AND INSURANCE

Health and Wellness	<p>Medical, dental and counselling services are available on campus to cater to your health and wellness needs.</p> <p>Should you feel unwell after office hours, you may proceed to nearby Clinics for assistance. For acute medical care and emergencies, please visit the nearest hospital, Ng Teng Fong General Hospital.</p> <p>For more information on Health and Wellness, you may refer to this link.</p>
Medical Declaration	<p>To ensure that your well-being is addressed, students who have existing conditions (medical, physical/mobility, sensory impairment, neurological deficits and/or learning disabilities) are required to submit medical documentation and/or specialist assessment reports during online application stage for verification.</p> <p>Students will be requested to provide the following documentation:</p> <ul style="list-style-type: none">• Letter or memo from doctor certifying the student is fit for overseas immersion programme. The letter must be in English, and should be issued by the attending psychiatrist or medical practitioner specialising on the declared condition;• Doctor's memo indicating medication and dosages. The memo needs to be in English, and indicates current prescription including alternative medication;• Assessment report (if required);• Accommodation letter (in English) from home university, describing type of support provided at home university. <p>Upon arrival at NTU, students are required to undergo further medical assessments/counselling to ascertain appropriate support services if so needed, for the well-being of students. These assessments may be conducted internally at NTU or externally by third-party service providers. In such cases, students may need to bear the costs for such assessments.</p> <p>For students on long-term medication, please refer to Health Sciences Authority's website for more information on bringing personal medication into Singapore.</p>
Declaration of Disability	<p>Exchange students who have a disability and require academic support services must submit documentary proof of their disability (doctor's letter and assessment report in English) and an accommodation letter in English from their home university, indicating the type of support services they are currently receiving. Please note that NTU support services may be different from what is offered in the home university. Students should also bring along the original assessment report during the exchange semester.</p> <p>The information is important for review and advice on availability of similar support services at NTU.</p>

WELL-BEING AND INSURANCE

<p>Health Screening</p>	<p>Exchange students who are studying at NTU for more than 6 months will need to undergo a health screening at the campus Medical Centre - Fullerton Health @ NTU. The health screening results may be used to fulfil the Immigration & Checkpoints Authority's (ICA) requirements for Student's Pass Holders, unless otherwise advised.</p> <p>Details of the health screening and appointment time slots will be advised during student's arrival. Please note that the health screening will incur an estimated cost of \$50 to \$100.</p>
<p>NTU Student Insurance Schemes</p>	<p>It is compulsory for all exchange students to be covered under the NTU student insurance schemes, namely Group Personal Accident Insurance (GPAI), Group Hospitalisation & Surgical Insurance (GHSI) and Medical scheme, even if students have already bought similar insurance in their home country. The cost of these student insurance schemes is included in the compulsory NTU Miscellaneous fees.</p> <p>Falling ill and being hospitalised in Singapore can be a financial drain on international students, who are not entitled to the medical subsidies that Singapore citizens enjoy. Besides the coverage it provides, the GHSI (subject to its terms and conditions) allows you to request a Letter of Guarantee from the underwriter and present it in lieu of the requisite deposit upon admission to government/ restructured hospitals in Singapore.</p> <p>For more coverage details please refer to this link.</p> <p>Note: The GHSI covers students for COVID-19 treatment and hospitalisation in a government restructured hospital. Please refer to this link for more details on GHSI coverage and its limitations.</p>
<p>Personal Insurance</p>	<p>Exchange students would be covered by the NTU Student Insurance Schemes mentioned above. It is recommended for you to familiarise yourself with the insurance coverage provided by these Student Insurance Schemes. Link</p> <p>The GHSI covers students for COVID-19 treatment and hospitalisation in a government restructured hospital. Please refer to this link for more details on GHSI coverage.</p> <p>With the ongoing COVID-19 pandemic, it is recommended that you ensure you have sufficient and comprehensive coverage for COVID-19 treatment and travel during your trip (to and from Singapore), as well as during the semester. You may wish to purchase additional personal or travel insurance for further coverage.</p> <p>Depending on prevailing border measures at the point of arrival, you may also be required to provide proof of travel insurance or medical insurance coverage for entry to Singapore.</p>
