Academic year 2021-2022	1st semester : 14 September 2022 – 28 January 2023 2nd semester : 6 February 2023 – 30 June 2023 It is very important that exchange students arrive for the beginning of the classes. In case of late arrival (over 15 days), they could be denied attendance.
Holiday periods	www.enseignement.uliege.be/en/academic-calendar
ONLINE Application Form	Students who arrive in Liège without having applied online and uploaded the required documents on the online application form will not be able to register. Online Application Form is available on the webpage www.enseignement.uliege.be/en/erasmus-in-application
Deadlines for application	1st semester arrival : 31 May 2nd semester arrival : 15 November
Study programmes	www.programmes.uliege.be Be careful, a course title in English does not mean that the course is given in English. Check the language for each course in the course description. To select courses in English, use the tab "Search A TEACHING UNIT" and choose English under "Teaching language".
Language requirement	We insist that our exchange students should have a minimal knowledge of French (or English if their courses are in English) to attend classes and take exams. <u>Therefore we ask them to upload on their Online Application Form a document testifying their level of French (or English).</u> The minimal required level is B1 (B2 for HEC Liège) (Common European Framework of Reference).
French language course	- intensive course at the beginning of September (100 €) - evening classes during the academic year A level test is organised at the beginning of each semester. www.enseignement.uliege.be/en/erasmus-in-french-courses Evening classes are free of charge if the course is in the Learning Agreement (5 credits). Otherwise the fee is 100 €.
Grade distribution table	www.enseignement.uliege.be/en/erasmus-in-exams In the Egracons conversion tool (https://tool.egracons.eu) you will find our tables for each ISCED code. Any institution who wishes to use this tool to convert grades just needs to upload its grade distribution tables (see http://egracons.eu).
