

The background of the page is a photograph of the EM Strasbourg Business School building. The building is a multi-story structure with a modern design. The lower part of the building is constructed from red brick with black-framed windows. The upper part is a lighter, possibly concrete or stone, with arched windows. The sky is blue with some light clouds.

MOBILITY TIMELINE

	Application & nomination deadline	Orientation Programme	Study Term Dates	Exam Period	Transcripts released
FALL semester	31/05/2022	Late August/ early September	From early September to late December	Mid December	February 2023
SPRING semester	31/10/2022	Early January	From early January to late April	Late April	July 2023

NOMINATION AND APPLICATION PROCEDURE

Nominations are to be made by the home university through an [Online platform](#).

Access to the platform and nomination instructions are sent to the home university by e-mail in March-April and in September-October.

Upon reception of the nomination from the home university, an e-mail will be sent to the nominated students with the relevant information about the online application procedure.

LANGUAGE REQUIREMENTS

Courses are mainly taught in English, some courses are taught in French.

B2-C1 level is highly recommended in the language of instruction.

No certificate required for the application.

ACADEMIC INFORMATION

Course registration starts in August (for the Fall semester) and in December (for the Spring semester).

Click [here](#) to consult the list of courses offered at EM Strasbourg to non-degree seeking students.

(Please note that this list is subject to change)

Students participating in our degree seeking programs will be enrolled automatically.

All exchange students will receive detailed information about the course registration by e-mail.

HOUSING

EM Strasbourg Business School offers different categories of rooms in student residences, but access is limited and accommodation is therefore not guaranteed.

The international office provides students with additional information for their own research on the private housing market.

Detailed information about housing (both university housing and the private housing market) will be provided once you are officially nominated.
