Hear from some of our volunteers!

Karin, Applied Languages:

I have met some great people throughout the buddy programme that I hope to keep in contact with. I really enjoyed getting the opportunity to meet international students. It's been really rewarding being able to help my buddies get to know Limerick and Ireland. I would 100% recommend joining the programme.

Andrea, Bachelor of Arts:

I've 100% made new friends that I hope I'll have for life, as well as gaining a huge sense of fulfilment from being able to help new students

Niamh, Applied Physics:

I've enjoyed getting to know my buddies. I'm still in contact with my buddies from previous semesters.. It's a fantastic opportunity to make new friends and that it also counts towards your PVA, so that's a great bonus.

Alex, Bachelor of Arts:

There is little that I didn't gain from the Buddy Programme. Not only did I get the opportunity to meet an abundance of new people from all around the world, but I also got to reconnect with Limerick and learn more about it and enjoy its heritage. I would advise absolutely anyone who has the opportunity to, to join the Buddy Programme. It benefitted me so much in my final year of college.
