A. Hello from Innsbruck

Dear nominated student!

**universität
innsbruck**
IWW-Office-Innsbruck (SoWi)

**Hello and congratulation
on your nomination as an exchange student at the Faculty of Business and Management Innsbruck!**

We - the members of the IWW-Office, Christoph (your incoming coordinator), Elke & Dilay - are happy that you have chosen our institution - Faculty of Business and Management (SoWi) - as your exchange institution. We look forward to welcoming you at our faculty for the next academic year or semester!

As you know from your home coordinator, you need to go through an application process at your exchange institution to receive your „Letter of Acceptance“ and the admission documents.

Please, find the 10 steps of application you have to follow on the next pages, to receive your ‚Letter of Acceptance‘.

Your exchange time should be fun, wonderful experience, etc. ;-) - on the other hand there is also administration to do which is lot of paper work and mostly the boring part of your job as an exchange student.

Your application is your first impression - it is your „business card“.

Your application is work - **it is a job - there is a lot to read, to do - and - it takes time.**
Therefore - we would kindly ask you to read all information carefully and to take your application serious

.... and you will see - time goes fast and suddenly you need to pack your bags.

During your application process, please, check your indicated email account regularly. You will be informed by the application system, if your documents are accepted, if your letter of acceptance is ready to download, etc..

You also will receive information emails from our department, the IWW-Office (iww@uibk.ac.at).

Please, **check** all deadlines and do not miss any otherwise your application can not take in consideration. If you need to apply for a **visa or/and housing**, apply as soon as possible.

Since rooms in student houses are limited, we want urgently advise you to book accommodation as soon as possible: ÖAD-student-housing-agency: <https://oead.at/en/to-austria/regional-offices/innsbruck/accommodation/>

It is difficult to find private accommodation since the demand of looking for accommodation is still increasing. Do not pay for private accommodation until you can be sure that your offer is not a fake offer.

So - be ready for an exiting journey and start your application now - by registering at the IWW-Office first!
(see next pages ;-)

All the best from Innsbruck

Christoph

Faculty of Business and Management (SoWi)

B. Study programmes

We put bachelor students (and master students who have no master programme at choice**) in the **diploma** programme IWW - Internationale Wirtschaftswissenschaften / International Economic and Business Studies - which is on master level in the advanced specializations – and the range of (international) modules is bigger.

Your university (University of Limerick) has **agreements** for their students to study the following programmes at the **Faculty of Business and Management**:

Yes = programme available

NO = programme not available for exchange students from University of Limerick .

Yes	Diploma Programme: IWW-International Economic & Business Studies
No	Master: Accounting, Auditing & Taxation
No	Master: Applied Economics
No	Master: Banking & Finance
No	Master: Organization Studies
No	Master: Strategic Management and Innovation NEW! *
No	Master: Marketing and Branding NEW! *
No	Master: Information Systems
No	Master: Business Education (in German only)
* The master programme „Strategic Management - Management, Tourism and Marketing“ was replaced autumn 2021 by „Strategic Management and Innovation“ and „Marketing and Branding“.	

**Master students

Business / Economic modules are offered in the fourth year of the diploma study programme **IWW** - „**International Economic & Business Studies**“ and hence are **equivalent to first year master modules.**

Therefore we run master students to those we can not offer a master programme - because there is no agreement available or places are booked out - to apply for the diploma study IWW.
Many master students took this alternative successfully in the past.

F. Modules / Courses - System at the

Faculty of Business and Management

The University of Innsbruck - Faculty of Business and Management offers a modular course system at different levels. It might be not easy to understand but **the module system will be exactly explained in the introduction - so do not worry!**

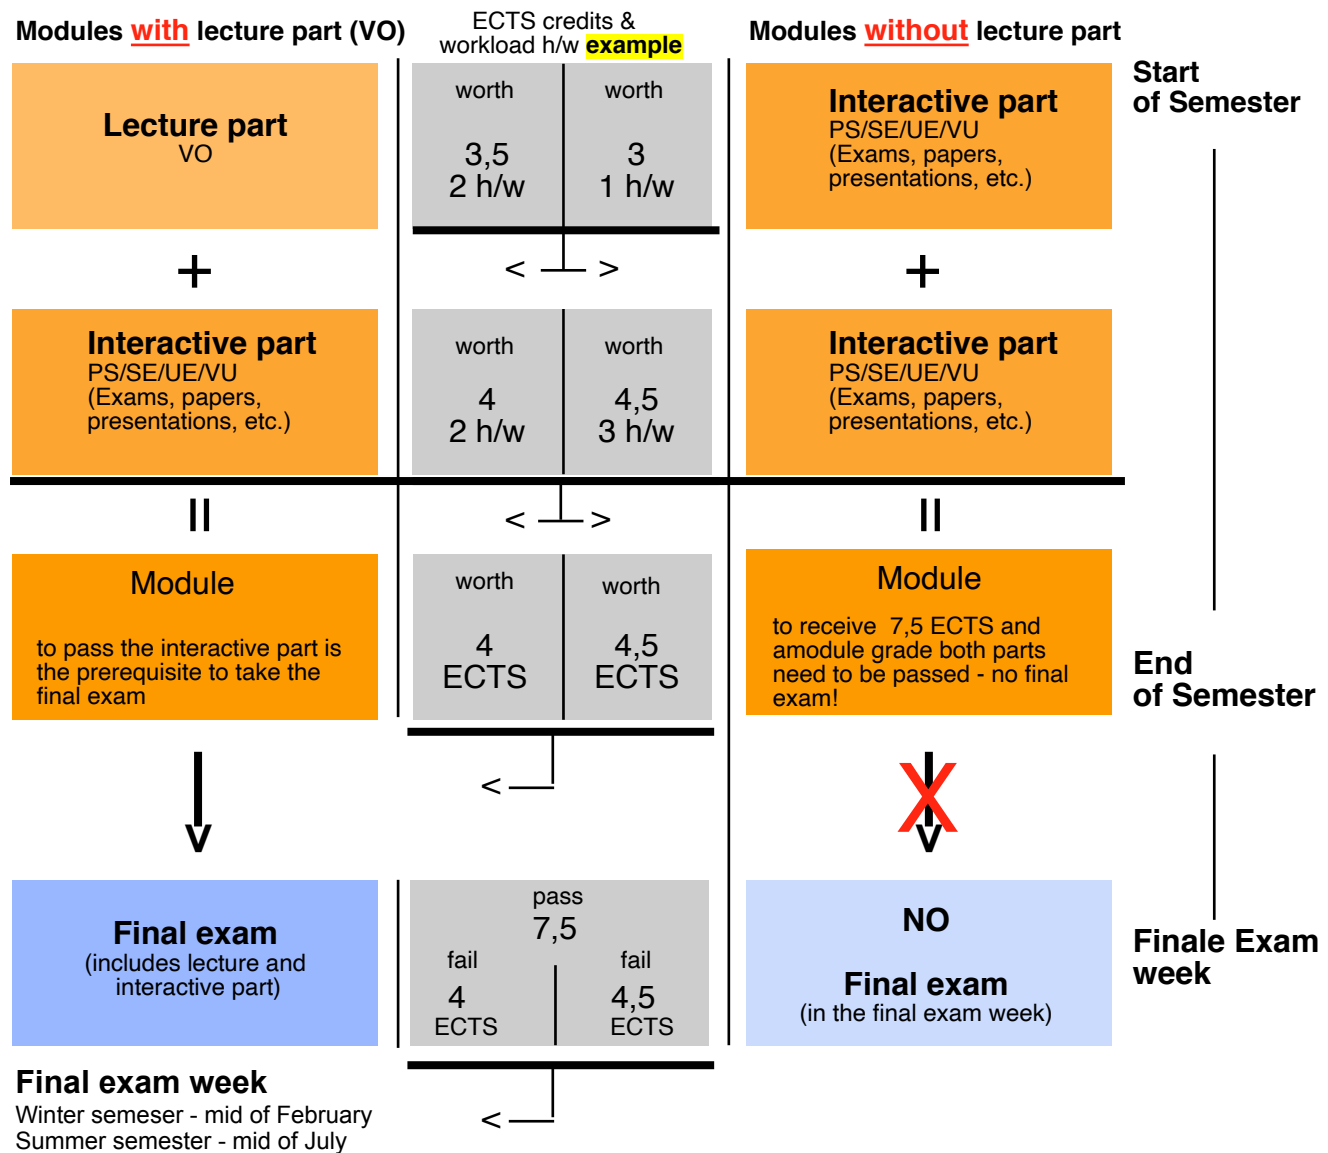

Every module consists of 4 hours per week. One academic hour is 45 minutes. Every module includes an input-oriented (VO = lecture) and an interactive part (PS/SE/VU/UE = proseminar/seminar) **OR** 2 interactive parts. Page 7/17
All modules will be assessed by written exams and group works and/or oral exams. The student has to sit written exams (Klausur) in the PS/SE/VU/UE classes during the semester. PS/SE/VU/UE interactive parts have to be passed in order to be eligible to sit the final exam (Gesamtprüfung) at the end of the semester. Students passing the final exam (Gesamtprüfung) receive 7.5 ECTS credits for each module. The number of students in a module is usually limited to 30-40 students. Only a limited number of modules is taught in English. Modules **without** any lecture part (VO) **do not have a final exam in the final exam week.**

Modules taught in German require good command of German (B2 at least).

Modules offered in the Basic Studies of the International Economic and Business Studies Programme ("1. Studienabschnitt" = 1st and 2nd year) are NOT open for exchange students - only with exception!

Attention: Exchange students need to reach a workload at least of **16 ECTS** credits at the end of their stay..

Attention: German language courses at the ISI or courses from other faculties are not part of the system below.

Master students - usually do not have lecture parts but two interactive parts. ECTS credits and workload can be higher (usually between 5 - 10 ECTS credits). Master students do not write exams in the final exam week. In other words the semester usually ends end of January/June. This also applies for **Bachelor student**, in case of no lecture part (VO) in the chosen modules

H. Housing -

Please, apply as early as possible!

Dorms:

Finding accommodation (privat and dorms) is not easy. The demand is extremely high.

We recommend students to apply at the ÖAD Innsbruck - which is the Innsbruck student house agency. Most of the student houses are under contract of the ÖAD.

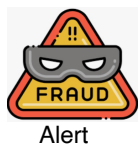

As only a certain number of rooms are available students should apply as soon as possible.
WS - April, Mai / SS - October, November.

- If students apply "very early" they have a big chance to get a room in the dorm they want to and/or get a single room, if desired
- The student has to pay an application fee (35,- euro), which is not refundable (exception: if no room would be available)
- This fee was introduced as students applied, cancelled, applied again, etc..
- As soon as the student has paid the application fee, the student will receive a room offer with the request to pay the deposit, which is about 900 Euro, within 14 days.
- If the student does not pay the deposit within 14 days, the reservation offer will be withdrawn. In case the student has/wants to apply again he/she has to pay the 35 Euro again.
- The housing application procedure will ask you to upload your acceptance letter. As this document might be available for you much later, you need to upload a document - as PDF - which confirms that you are nominated from your university at Innsbruck university. (eg. nomination, nomination email, any other confirmation that you are nominated at Innsbruck University)
- you also can apply directly at the dorms.
- Our office (iww-office) is not in charge of housing – for further questions, please, contact the housing office (ÖAD) directly

- ÖAD - (FAQ, application, etc): <https://www.oeadstudenthousing.at/en/faq/>
- ÖAD student houses: <https://oead.at/en/to-austria/regional-offices/innsbruck/accommodation/>
- ÖAD application: <https://www.oeadstudenthousing.at/en/accommodation/innsbruck/>

Free market:

Renting a room or apartment on the free market is very difficult if you do not speak german and might be expensive, especially when you wish to rent for less than 12 months and need furnished accommodation.

ATTENTION:

We had some online frauds on different websites lately. The room looked beautiful but it did not exist. There was a lot of friendly whats app traffic and video calls - but the alleged renter was not seen in the calls or was (suddenly) not reached under the indicated number. **Please, pay attention and be careful with housing offers especially when you are asked to transfer money.**

If a master student can not take any of these master programme as there is no contract between the two institutions, we recomand the student to chose the „Diploma Study IWW“, as it is on master level. A lot of master students took this oppertunity in the past.

Your university (University of Limerick) has **agreements** for their students to study the following programmes at the **Faculty of Business and Management**:
