# Study at UL

## Welcome to the University of Limerick

UL's Open Days are planned with you in mind.

This event is aimed at anyone considering studying at University of Limerick.

We have presentations on our degree and masters programmes, information stands to find out what you need to know, and tours to give you a sense of the facilities and services that we can offer you as part of our degree programmes. Find out about how we will support you to settle into university life.

Make sure you chat with our guides – as current UL students, they will be happy to help with any questions you may have.

We hope you have a great day.

### Getting here by car

The University is located in Castletroy, just off the main M7 Limerick/Dublin motorway. From the south and west, take exit 30 off the M7 Northbound and follow the signs for the University. From the East/Midlands, take exit 28 off the M7 Southbound and follow the signs for the University.

### Parking

Numerous spaces are available to park on campus. Just follow the event signs and our Security personnel will direct you to the nearest space. Please note we will direct you to our free car parks, but in the event of extra parking space needed you may be directed to one of our paid car parks. They cost €3 for the day and you can pay with €1 and €2 coins.

### Public transport

UL is served by 304/304A local bus routes from Limerick city. The M7 Express coach also stops on campus with a regular daily service.

### Masks

The University continues to advise and strongly support the use of face-coverings indoors on campus, and supports staff in asking their students to wear face-coverings in lecture and teaching spaces. Based on individual circumstances, you may also decide to continue to wear a face-covering elsewhere on campus. Please be considerate of the needs and choices of others.

### In Case of Emergency

In case of illness or emergency, please contact the nearest member of University staff or Open Day staff and we'll be happy to help. If you hear a fire alarm, please use the nearest marked exit and follow the directions of University staff. Do not use the lifts or re-enter the building until the all-clear is given. Campus Security can also be contacted on 061 213333

### Booking your place at the UL Open Day

- Book your place online if you plan on attending our open day
- Go to [www.ul.ie/opendays](http://www.ul.ie/opendays) and register your details
- You will receive an email confirming your place. Friends and family are welcome to attend with you

\* Please note registrations may be closed in advance of the event to keep in line with health and safety regulations. If this happens, we will communicate the new cut off date for everyone across our social media platforms

### Did you know?

UL is ranked in the Top 200 Global Universities for Graduate Employability (source: QS Graduate Employability Rankings 2022)

# Your Day at UL

## From 9am to 2pm

### 1. Student Support Stands

Information stands in the Foundation building will give you the opportunity to meet representatives from various areas and ask questions on a one-to-one basis. See list of student information stands on pages 8-9.

### 2. Course Information Stands

For academic information on all UL degrees, go to the hotspots (on your map) where you can meet staff from all our faculties and departments. See the list of stands on page 8.

### 3. Subject Talks

Information on our degree programmes will be covered in each of the relevant subject talks. All talks will be repeated at various times throughout the day and are listed in the open day schedule on pages 12-16.

### 4. Tours

Various tours will be available throughout the day where you will get to see our labs, teaching spaces and amazing facilities that makes UL unique.

Tours available are listed in our timetable. They will run across various degree programmes, our Glucksman Library and our UL Sport Arena. If you would like to take a look around campus for yourself, you are more than welcome to follow our event map and explore around the outside of your potential future college campus. You will also have the opportunity to visit one of our typical on campus student village apartments in Dromroe to see what living on campus is really like.

#### UL Sport Arena tours

Ask at Arena reception, marked on the map on page 2. Tours of the Sport Arena available on the hour.

### 5. Places to eat

#### Allegro café

(in the Foundation Building, upper ground level, next to the Student Information stands)

#### Plaza Café

(in the Library building)

#### Starbucks, Subway and Eden Restaurant

(in the Main Building)

#### Stables Club

(in the Student Courtyard area)

#### Cube Café

(in the Kemmy Business School)

# Quiet Space

If required during the University of Limerick Open Days, a quiet space is available in the library building in room GLO 38.

This room can be used by anyone and may be useful to anyone who may experience sensory overload or fatigue. The quiet room has adjustable lighting and comfortable chairs are available.

There are accessible bathrooms throughout the university. It may be useful to know that within the library, there are accessible bathrooms on every floor with both left and right transfer options.

## Share your Experience

Join University of Limerick on social media to stay up to date on Open Day information before and during the event and don't forget to use the hashtag #StudyAtUL.

# Student Information Stands

9am-2pm

## Glucksman Library Stand (located in Foundation Building)

UL's new library is one of the largest campus libraries in Ireland and one of the most digitally advanced in the world. Talk to library staff about how we support new students in every subject area and what services you can avail of. Glucksman Library tours begin in the library lobby.

## Disability Access Route to Education (DARE) (located in Foundation Building)

Meet our DARE advisor to find out more about these applications.

## Admissions Office (located in Foundation Building)

The Admissions Office is responsible for the processing of applications to undergraduate programmes.

## First7Weeks (located in Foundation Building)

Find out about how UL will support you to settle in here during the early weeks.

## ERASMUS+ and Non-EU Exchange (located in Foundation Building)

Academic Study Placements within Europe and outside Europe.

## Mature Student Office (located in Foundation Building)

The Mature Student Office provides information and advice to mature students who are considering doing a full-time degree course in UL.

## First Year Support (located in Foundation Building)

The University wants you to have a really positive student experience from your first day in UL. The First Year Support Coordinator is there to ensure you get all the help and support that you may need as a first year student in UL.

## Campus Accommodation (located in Foundation Building)

Campus Life Services is responsible for UL on-campus accommodation in comfortable houses and en-suite apartments which are located in secure landscaped village complexes across the campus.

## Postgraduate and Professional Studies (located in Glucksman Library from 9am-2pm)

If you are interested in postgraduate or professional study at UL, you will find information on the range of full-time and part-time programmes on offer from diplomas to PhDs.

## Higher Education Access Route (HEAR) (located in Foundation Building)

Meet our HEAR advisor to find out more about these applications.

# Undergraduate Information Stands

- Arts, Humanities and Social Sciences, and Irish World Academy of Music and Dance are located in EG-010 in the Main Building
- Education stand located next to the education talk in the Main Building
- Psychology stands located near Psychology talk in Main Building
- Health Sciences stands located in the Health Science Building and the School of Medicine just over the Living Bridge
- Business stand located in the Kemmy Business School
- Science and Engineering stands located in EG-010 in the Main Building. Stand discipline areas include Science, Engineering, Architecture/Design, Mathematics & Computing
- National Council for Exercise and Fitness (NCEF) stands located in PESS Building
- Physical Education, Sport and Exercise Science and Exercise and Health Fitness Management Talks in the PESS Building

All of these stands can be found in each of the hotspots located on the map. If you would like to chat with our staff, current students and lecturers head over to the hotspots and they will be more than happy to answer any questions you may have.

Download our 2023 Undergraduate Prospectus

# Schedule of Talks

Head to the relevant hotspots for each area if you are having trouble finding the talks and they will guide you to the right place.

# Graduate & Professional Studies Hotspot

## More graduates than ever are furthering their careers through postgraduate studies. Why?

The rapid pace of technology and innovation is reshaping our world and the way we learn and work; re-imagining entire industries and re-writing the rules in the process. Undertaking postgraduate study is one way in which today's graduates are future-proofing themselves for a constantly evolving jobs market.

## Why UL for your Postgraduate Degree

The University of Limerick is a vibrant and entrepreneurial place to learn. UL offers over 200 postgraduate programmes across four faculties, including Micro-credentials, Graduate Diplomas, taught and research Masters programmes, structured PhD programmes and Professional Doctorates - many delivered flexibly, online and part-time to suit working professionals.

With internationally-renowned programmes, world-leading research collaborations, and an unrivaled graduate employment rate, UL has everything graduates need to get ahead in their chosen discipline.

Today's UL students have access to cutting-edge technology like the Wall Street-style Trading Floor in the Business School, industry-standard multimedia studios, state-of-the-art clinical labs, moot courts, patient simulation suites and Ireland's only academic flight simulator.

## Taught Programmes

A postgraduate degree gives students the chance to further their learning, but also to distinguish themselves from their peers, and to set a solid foundation for professional growth. It's a significant opportunity for graduates to cultivate real experiences and develop deeper learning in their chosen field.

## Professional Programmes

Year on year UL has developed a compelling careers-centred portfolio of programmes, co-developed and co-delivered with employers. Consequently, our graduates enjoy excellent outcomes including accelerated career development, personal and professional development, expanded professional networks and new in-demand skills and competencies.

## Research Programmes

UL is at the forefront of research with four world-class centres of excellence. Our research focus is characterised by the convergence of discrete disciplines working together to achieve fundamental breakthroughs whilst ensuring research is rapidly translated into economic and social impacts for Ireland and beyond.
