A. Hello from Innsbruck

Dear interested / nominated student!

**universität
innsbruck**
IWW-Office-Innsbruck (SoWi)

Hello from Innsbruck, hello from the Faculty of Business and Management Innsbruck!

We - the members of the IWW-Office, Christoph (your incoming coordinator), Elke & Dilay - are happy to welcome you and that you are interested to study as an exchange at our institution - Faculty of Business and Management (SoWi)

Innsbruck is located in the western part of Austria and in the middle of Europe, very close to the Italian and German border. Innsbruck is surrounded by mountains therefore an excellent area for winter sports. But also a lot of history and culture says hello to all interested visitors.

Innsbruck is a very „young people“ city. Old and young do a lot of sports but Innsbruck is also a place to go out to restaurants and bars and enjoy social life.

Your exchange time should be fun and a wonderful experience ;-) - on the other hand there is also **administration to do which is a lot of paper work and mostly the boring part of your job as an exchange student.**

Your application is work - **it is a job, it is your first impression - there is a lot to read, to do - and - it takes time.**

.... and you will see - time goes fast and suddenly you need to pack your bags.

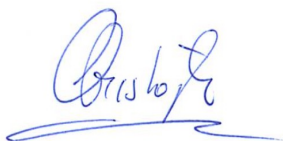

Please, **check** all deadlines and if you need to apply for a **visa**, apply as soon as possible.

Since rooms in student houses are limited, we want to urgently advise you to book accommodation as soon as possible. It is difficult to find private accommodation since the demand of booking for accommodation is still increasing. Be also aware of fraud offers in Facebook!!

So - be ready for an exciting journey and start your application. As soon as we receive your official nomination from your home institution we will provide you with details for your application - which starts with the IWW-Registration.

All the best from Innsbruck

Christoph

Faculty of Business and Management (SoWi)

D. Study programmes

We put bachelor students (and master students who have no master programme at choice**) in the **diploma** programme IWW - Internationale Wirtschaftswissenschaften / International Economic and Business Studies - which is on master level in the advanced specializations – and the range of (international) modules is bigger.

Your university (University of Limerick) has **agreements** for their students to study the following programmes at the **Faculty of Business and Management**:

Yes = programme available

NO = programme not available for exchange students from University of Limerick .

Yes Diploma Programme: IWW-International Economic & Business Studies

No Master: Accounting, Auditing & Taxation

No Master: Experimental and Empirical Economics

No Master: Banking & Finance

No Master: Organization Studies

No Master: Strategic Management and Innovation **NEW! ***

No Master: Marketing and Branding **NEW! ***

* The master programme „Strategic Management - Management, Tourism and Marketing“ was replaced autumn 2021 by „Strategic Management and Innovation“ and „Marketing and Branding“.

****Master students**

Business / Economic modules are offered in the fourth year of the diploma study programme **IWW - „International Economic & Business Studies“** and hence are **equivalent to first year master modules.**

Therefore we run master students to those we can not offer a master programme - because there is no agreement available or places are booked out - to apply for the diploma study IWW.

Many master students took this alternative successfully in the past.

F. Modules / Courses

Module system Faculty of Business and Management

The University of Innsbruck - Faculty of Business and Management offers a modular course system at different levels. It might be not easy to understand but **the module system will be exactly explained in the introduction - so do not worry!**

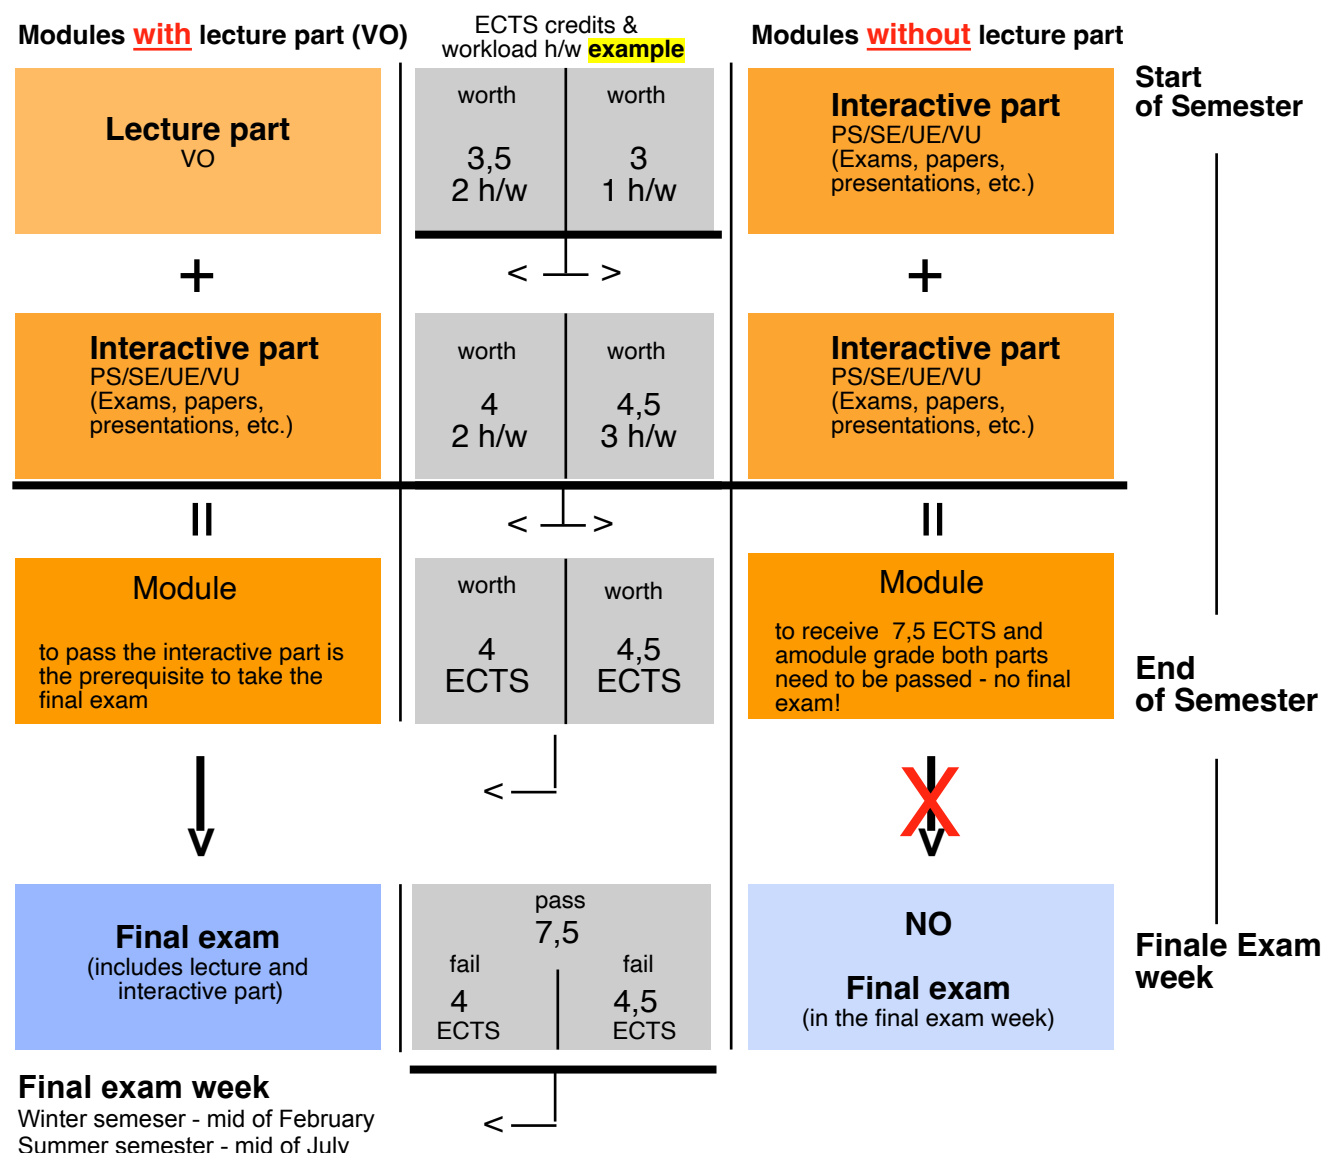

Every module consists of 4 hours per week. One academic hour is 45 minutes. Every module includes an input-oriented (VO = lecture) and an interactive part (PS/SE/VU/UE = proseminar/seminar) **OR** 2 interactive parts. All modules will be assessed by written exams and group works and/or oral exams. The student has to sit written exams (Klausur) in the PS/SE/VU/UE classes during the semester. PS/SE/VU/UE interactive parts have to be passed in order to be eligible to sit the final exam (Gesamtprüfung) at the end of the semester. Students passing the final exam (Gesamtprüfung) receive 7.5 ECTS credits for each module. The number of students in a module is usually limited to 30-40 students. Only a limited number of modules is taught in English. Modules **without** any lecture part (VO) **do not have a final exam in the final exam week**.

Modules taught in German require good command of German (B2 at least).

Modules offered in the Basic Studies of the International Economic and Business Studies Programme ("1. Studienabschnitt" = 1st and 2nd year) are NOT open for exchange students - only with exception!

Attention: Exchange students need to reach a workload at least of **16 ECTS** credits at the end of their stay, but you can not choose more than 4 modules = 30 ECTS per semester (excl. small courses)

Attention: German language courses at the ISI or courses from other faculties are not part of the system below.

Grading system:

- 1 very good (A)
- 2 good (B)
- 3 satisfactory (C)
- 4 sufficient (D)
- 4 sufficient (E)
- 5 fail (FX)
- 5 fail (F)

Master students - usually do not have lecture parts but two interactive parts. ECTS credits and workload can be higher (usually between 5 - 10 ECTS credits). Master students do not write exams in the final exam week. In other words the semester usually ends end of January/June. This also applies for **Bachelor student**, in case of no lecture part (VO) in the chosen modules

H. Housing -

Please, apply as early as possible!

Dorms:

Finding accommodation (privat and dorms is not easy. The demand is extremely high.

We recommend students to apply at the ÖAD Innsbruck - which is the Innsbruck student house agency. Most of the student houses are under contract of the ÖAD.

As only a certain number of rooms are available students should apply as soon as possible.

WS - April, Mai / SS - October, November.

- If students apply "very early" they have a big chance to get a room in the dorm they want to and/or get a single room, if desired
- The student has to pay an application fee (35,- euro), which is not refundable (exception: if no room would be available)
- This fee was introduced as students applied, cancelled, applied again, etc..
- As soon as the student has paid the application fee, the student will receive a room offer with the request to pay the deposit, which is about 900 Euro, within 14 days.
- If the student does not pay the deposit within 14 days, the reservation offer will be withdrawn. In case the student has/wants to apply again he/she has to pay the 35 Euro again.
- The housing application procedure will ask you to upload your acceptance letter. As this document might be available for you much later, you need to upload a document - as PDF - which confirms that you are nominated from your university at Innsbruck university. (eg. nomination, nomination email, any other confirmation that you are nominated at Innsbruck University)
- you also can apply directly at the dorms.
- Our office (iww-office) is not in charge of housing – for further questions, please, contact the housing office (ÖAD) directly

Free market:

Renting a room or apartment on the free market is very difficult if you do not speak german and might be expensive, especially when you wish to rent for less than 12 months and need furnished accommodation.

ATTENTION:

We had some online frauds on different websites lately. The room looked beautiful but it did not exist. There was a lot of friendly whatsapp traffic and video calls - but the alleged renter was not seen in the calls or was (suddenly) not reached under the indicated number. **Please, pay attention and be careful with housing offers especially when you are asked to transfer money. Transfer money only to an Austrian account!**

I. Start your application ...

As soon as we have received your official nomination, we will provide you with details of:

- Online IWW-Registration
- Online application

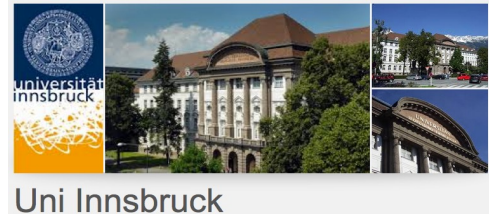

and then you can start your application;-)
