ACADEMIC INFORMATION

Course catalogue:	USBE: https://www.umu.se/en/student/usbe/incoming-exchange/ Umeå University: www.umu.se/en/education/exchange-students/search-courses/
Course load:	<p>One academic term comprises 20 weeks. Full-time study consists of 30 ECTS per term. This corresponds to approximately 40 hours of study per week including a varying number of lectures and classes. Most courses consist of 7.5, 15 or 30 ECTS.</p> <p>1.5 ECTS is the equivalent to one week of full-time study.</p>
Submitting an application:	<p>Courses should not clash According to the Swedish study system full-time courses (100% tempo) are taken one at a time rather than parallel. Therefore, it is important to carefully check which week each course starts and ends. The information is available under "Application and Eligibility" on the individual course page.</p> <p>More information about the study duration can be found at: www.umu.se/en/education/study-system/</p> <p>Course changes are very restricted Please note that we have no add/drop period. Your course selection will be set after the application deadline.</p> <p>Course requirements The requirements are listed on the individual course page.</p> <p>Note that you as an exchange student do not have to prove your English language proficiency.</p> <p>30 ECTS equals full-time studies If you are admitted to 30 ECTS the exceeding courses that you have applied for will be dropped, with the exemption for <i>Swedish for International Students, Beginners' Course I, II, III</i>. These courses can be selected in addition to 30 ECTS in other subjects.</p>
Examination period:	<p>Normally there are no final exams that cover the entire semester's course work or that cover an entire general study programme. This means that exams are given at the end of each course, and not at the end of the semester.</p>

Transcripts:

Transcripts for exchange students are emailed to the student's home university at the end of their study period at Umeå University.
