Masters / PhD by Research / Thesis Fees

Notes

This flowchart only applies to **PhD students** after completion of their **3rd Year** and **Masters students** after completion of 1st **Year.**

A six month grace period is allowed for students to write up their thesis. During this time fees will not be charged. This six month credit is retrospectively applied once submission is made to an Exam Board.

If you are unsure of your registered start date, contact Academic Registry.

A Leave of Absence will affect your **actual** start date – Contact the Fees Office for more information.
