WHO WE ARE

The HRI postgraduate/postdoctoral Hub has now transitioned to the HRI Postgraduate Hub. This is a member driven platform that strives to provide a safe and accessible environment for HRI PG members to:

- Explore important **areas of interest** with an emphasis on best-practices.
- **Share opportunities** to **develop skills** essential for building research capacity and career success.
- **Network** with other HRI members within and outside the Hub.

WHAT WE DO

HUB TOPICS & WORKSHOPS

A series of HUB workshops are offered each semester, based on the interest of PG members. These include invited speakers, skill-development sessions, and more!

PG 5-IN-5

At the start of a HRI lunch, a PG will have the chance to summarise their research in **5** slides in **5** minutes.

THANK YOU FOR ATTENDING OUR FIRST HRI HUB EVENT OF THE YEAR

POSTGRAD/POSTDOC EVENT

This event featured networking opportunities, guest speakers, and elevator pitch presentations. There was a selection of posters on display as apart of a poster competition, with awards for best presentations and posters. While the PG/PDOC Event was designed to highlight the work of our postgraduate and postdoctoral community, all HRI members attended and supported the event. It was fantastic to see so many of you in attendance to collaborate with one another, or simply joining the conversation.
