Student Emergency Fund

In conjunction with UL Student Life and the Postgraduate Students' Union, the University administers two types of student financial support. The Student Emergency Fund is funded through UL Student Capitation and supported by gifts from UL Alumni through the UL Foundation's Alumni Annual Fund Appeal. This scheme is designed to help students who experience short-term financial difficulties. If the student qualifies for assistance, they will receive a bursary.

Additionally, student parents who are experiencing financial difficulties can apply for a Childcare Bursary to support them with their childcare/child-minder costs, if the child is in a registered childcare provider.

If a student is experiencing financial difficulty and wishes to apply for either or both types of funding, they are encouraged to make an appointment with the Student Financial Support Advisor, John McDermott Book a meeting with John or email Student.Budgeting@ul.ie Alternatively, the student can meet with the Chaplain, John Campion in room CM071or email him on john.campion@ul.ie to make an appointment. Undergraduate Student Application Forms and further information are available from the Advice & Advocacy Coordinator by emailing AdviceHub@ul.ie.Any postgraduate student wishing to avail of either or both types of funding can email Student.Budgeting@ul.ie or psu@ul.ie to request an application form. More details are available at Postgraduate Financial Support
