WHO WE ARE

The HRI postgraduate/postdoctoral Hub has now transitioned to the HRI Postgraduate (PG) Hub. This is a member driven platform that strives to provide a safe and accessible environment for HRI PG members to:

- Explore important **areas of interest** with an emphasis on best-practices.
- **Share opportunities** to **develop skills** essential for building research capacity and career success.
- **Network** with other HRI members within and outside the Hub.

WHAT WE DO

HUB TOPICS & WORKSHOPS

A series of HUB workshops are offered each semester, based on the interest of PG members. These include invited speakers, skill-development sessions, and more!

PG 5-IN-5

At the start of a HRI lunch, a PG will have the chance to summarise their research in **5** slides in **5** minutes.
