Module Overview

Excellent clinical leadership is recognised as fundamental to the provision of high quality care and creating a culture of innovation and support in the workplace. This module explores and examines the changing and evolving healthcare climate to reflect the role of the registered practitioner as being critical to the provision of a caring, person-centred and change-orientated service.

*This module can be taken as a stand-alone module or as part of the MSc Nursing programmes offered by the Department of Nursing and Midwifery. Students can take up to two modules without enrolling on a full programme of study and programme enrolment occurs each Aug/Sept.

Advantages of Studying in UL

One university semester (12 weeks) comprising of;
• Blended Learning approach to support student learning
• Six lectures (on campus)
• Study on line (off campus)
• Variety of assessment strategies to suit adult learners
• Excellent library facilities
• Dedicated student supports (Writing Centre, Student Advisor System, Library Support)
