Information for Erasmus at the University of Bonn - 2021/2022

Dear colleague,

With this mail I am sending you information for you and your students who wish to study at the University of Bonn in the framework of the Erasmus+ Programme during the academic year 2021/2022.

We would be very grateful if you could forward this information to the departments/schools within your institution involved in the Erasmus exchange with the University of Bonn and to Erasmus students coming to Bonn.

 I would especially like to draw your attention to the following points:

1. We will only accept nominations via [our online registration tool](#). Nominations in other forms (like e-nominations, excel-sheets) will not be processed. For more information, please see the attached Fact Sheet and Nomination Guide.
2. **The housing situation in Bonn**
Like in many university towns in Germany, the housing situation for students in Bonn is quite difficult, especially in October. **Please advise your students to start searching for accommodation, also on the private market, as early as possible and to read our detailed and useful information and advices at www.uni-bonn.de/studying/international-students/erasmus/housing-in-bonn.**

Please note that the "Studierendenwerk" is not part of the University of Bonn and our office has no influence on their decisions or ways of communication.

If you have any further questions, please do not hesitate to contact us.

Yours sincerely

Susanne Gittel-Avehounkpan
Erasmus Institutional Coordinator
Head of Section International Outbound Mobility
